nepantla an anthology dedicated to queer poets  
of color

May 21st, 2020 - this is a really incredible  
anthology that manages to collect decades  
worth of work by queer poets of color and give  
you an amazing taste of the variety and  
possibility i want to go out and read so much  
more work by all these poets it has works by the  
sort of obvious poets but also newer then up and  
ing poets and poets whose work is perhaps less  
immediately thought of'
