May 9th, 2020 - this book is great i m a big fan of  
hundertwasser anyway his unique perspective on life  
art architecture colour pattern not worrying about  
how bureaucrats think the way things should be but  
just imagining and painting and going back to  
paintings another day and the fact that art evolves  
like gardening and that starting a painting doesn t  
have to result in a finished piece the same day'
